NAVY LEAGUE GOLF OUTING AT PARRIS ISLAND ANOTHER SUCCESS

The Council's Annual Golf Outing held on September 21 at The Legends on Parris Island was another success for the council. This year we asked for sponsorships of Sailors and Marines to play with our members and those who all attended. While the skies were a little battleship grey and our numbers were down from past years, we still raised over \$5,000. The council will be making a donation to the Navy-Marine Corps Relief Society at the Navy Day Bay.

Thanks to all those golfers who came out to play and to our title sponsors Mingledorff's and ZONEFIRST. Our hole sponsors were Jane Hyers, Hilton Head Properties, Jacque Johnson, Charter One Realty, Technical College of the LowCountry and Long Cove Friends of Bill Baker.

VETERAN'S DAY – WEDNESDAY NOVEMBER 11, 2015

NAVY LEAGUE MEMBERSHIP NEEDS YOUR HELP!

Over the last 10 years the Hilton Head Island Council's membership has declined substantially from a high of over 500 members to now less than 100. We want to remind all of our members that the Navy League is open to all US Citizens over 18, and no prior service is required. Those who never served who wish they had now have that opportunity with the Navy League. We're also looking for a few dedicated volunteers to help with programs and events.

This problem is not unique to our council either as membership in national Navy League is down 50% from its peak. All we ask is you talk to your friends about Navy League, our mission and our great magazine Sea Power. Help us support those who serve us. As you can see we have an active council with many diverse opportunities to learn and support our maritime services. It's easy to join by just going to www.navyleague.org/join.

DECEMBER MAYOR'S AND HOLIDAY LUNCH

As has been the tradition of the council our December meeting will be our Annual Mayor's Lunch and Holiday Party. The date will be determined based on the Mayor's availability so watch for this time in an upcoming e-mail.
